MTS CUSTOM SHOPPE

With our unparalleled "Made in the USA" manufacturing capabilities, we can bring your vision to reality. At the MTS Custom Shoppe we can quickly modify any of our existing designs to meet your requirements. For larger orders, we have the ability to take your own unique design from paper to production. From your dimensioned sketch, our design and engineering professionals can recommend ideas to meet your needs and help bring your custom product to life!

Do you have a corporate logo, decorative shape or favorite design element that you would like to incorporate into your chair or barstool? At the MTS Custom Shoppe, we can achieve your built-to-order look! Custom back design elements can be CNC cut-out or laser etched into wood backs, laser cut in metal backs, or embroidered on upholstered backs.

If a custom wood stain is needed, the MTS Custom Shoppe maintains in-house custom stain matching capabilities to ensure compatibility with our eco-friendly, water-based, wood finish system.

Make your seating stand out from the rest! Contact one of our Sales Coordinators at 734-847-3875 with your requirements and let the MTS Custom Shoppe design and engineer your next project!

VINYL AND METAL EDGE TABLE TOPS

Vinyl Gives You The Edge On Durability
Our vinyl-edge 232 and 234 Series deliver maximum performance in high traffic applications. Durable vinyl protects table edges and stands up to wear and tear beautifully. The result is long-lasting durability where you need it most. A perfect balance of aesthetics and pragmatics.
