Replacement Top

We believe in empowering Hoteliers to keep their costs down while keeping their furniture as pristine as possible. Your guests will test the furniture time and time again. Our tops are built using Wilsonart High Pressure Laminate with Aeon scratch and scuff resistant performance technology, but sometimes even that is not enough. We give Hoteliers the option to replace the tops at a fraction of the cost of buying new a product. Keep your furniture looking fresh with our unique replacement top program.
